Dear Henri + Emma Mae; Greetings from Here!
 Somehow there was no follow-up on our last meeting and some action is indicated. I am here finishing up the 3 yr. stint with the C.N.R.S. and will be back ~ Nov. 7. I expect to be in L.A. week-ends from then on, as Virginia is now settled in our Hollywood house. I maintain an apt in La Jolla and David is still at UCLA. I have kept track of your doings by reading the L.A. Times, and note you are busy enough. However, if the urge ever comes to have an unpressurized evening playing chamber music which requires no polish, I will be happy to participate. The first opportunity would be during the weekend of Nov. 8-9.

In any case, we expect to be asking you to dinner at our Hollywood layout, even if it is not entirely finished. The address, for your files, is

5698 Holly Oak Drive 90028

and the phone 465-0678

Virginia can also be reached at Children's Hospital, phone 663-3341 (Ext. 426). Ask for Dr. Swanson.

Down in La Jolla, I am at

800 Prospect St. 92037

phone: area #714, 459-6145

The prospects are as follows: I am to remain on a consulting basis this year here, which means two trips, each for one month, so essentially I am going to be permanently within reach from now on. For the indefinite future, it appears Va. + I will have to keep two places because her job keeps her in L.A. This is no great hang-up as we can arrange to be together practically 4 days a week by not-too-difficult arranging of academic schedules. David will remain at UCLA until the Spring Qtr when he expects to go to Berkeley. Meanwhile he comes down to La Jolla and stays with me about once a month. We were together there thru September. Hoping all is well with you and your Retainers, I am

As ever
